TravelCenters of America LLC Launches UltraOne Driver Rewards Program *More Rewards at More Locations Make UltraOne the Best Rewards Program on The Interstate*

TravelCenters of America LLC announced the launch of its new UltraOne Rewards card for professional drivers. The UltraOne rewards card allows drivers to earn and redeem points at over 230 TA and Petro Stopping Centers branded sites for maximum ability to earn benefits.

UltraOne was designed to leapfrog all other driver reward programs by offering the most comprehensive and valuable member benefits. UltraOne provides drivers with:

- Non expiring showers for Platinum members
- Non expiring points for all members
- Year-end points savings bonus
- Bonus fuel points for Platinum members
- Free meals, beverages and PMs
- Free parking vouchers at preferred parking locations

Tom O'Brien, President and CEO of TravelCenters of America said: "We designed UltraOne around very frank and open discussions with our customers. They had a significant imprint on the design, and as a result provides drivers with more ways to earn, save, and be rewarded for their loyalty to both of our premier full service brands in the country. Although exciting in its own right, UltraOne is also a symbol of the advantages of a full-service travel center. Come to Petro and to TA, sign up for UltraOne, notice the many other driver focused improvements in our showers, our service and our sites; feel the full service advantage."

There are custom UltraOne Rewards card programs for Expeditors and Bus Drivers as well. Details of these programs can be found on the company's web sites.
